Subject Coverage

Growth

We know that not every student learns in the same way and at the same pace. Edmentum puts individual student growth first - giving students the tools to take control of their own academic journey while providing educators insight to facilitate targeted support.

Assessment

Our products come with rigorous assessment options, including diagnostic assessments, online tests, high-stakes test preparation, and more. The testing options can help you pinpoint exactly where students are at in their learning.

Research

All of the product developments we make are fuelled by your opinions, feedback, and research. Our research papers and case studies will help you gain a deeper insight into our success in supporting schools around the world.

Curriculum

Edmentum programs are aligned to globally recognized standard. Our products encompass and address a vast array of courses and subjects (over 600) and are fully aligned to curriculum standards.
